## SATURDAY 30 JUNE

**ON SATURDAY 30 JUNE 2018 THE LOST WORLD WILL THROW OPEN A SELECTION OF ITS FARM GATES, KICKING OFF THE SCENIC RIM'S 2018 EAT LOCAL WEEK.**

The Lost World's intimate Farm Gate Festival is the perfect low-key opportunity to taste and explore your way around this wilderness region, only 90 minutes drive from Brisbane and Gold Coast.

Discover the workings of the farm; sample just-picked produce; buy meat and veg direct from the farmer; buy art direct from the artist; try a cooking workshop and soak up the wilderness through the day's pop-up cafes and picnic spots. Take your time - between the food and farms, we have spectacular rugged vistas, rainforests and clear mountain streams. Some events happen at particular times. Others are open throughout the day.
